Bootlegger's Supper Club... So Good it should be Illegal!

Bootlegging has taken many forms over the years. It started with illegal liquor in the 1920's, Most recently bootlegging came to mean illegally downloaded or copied music. Here at Bootlegger's Supper Club we do not break any laws, rather, our form of bootlegging breaks away from the all too familiar restaurant norm of serving pre-cooked and pre-processed foods. Our menu is over 90% homemade and from scratch. Our frying oil is 100% canola and trans-fat free because we wouldn't think of serving anything less healthy or good tasting. We even bake all our own bread, buns and rolls to ensure freshness! We go the extra mile because we care about you... our guest.
